Nondiscrimination Statement: The Granton Area School District complies with all state and federal laws and regulations prohibiting discrimination, and with all requirements and regulations of the Department of Public Instruction of the State of Wisconsin and U.S. Department of Education. It is the policy of the Granton Area School District that no person, on the basis of sex, race, religion, color, national origin (including a student whose primary language is not English), ancestry, creed, pregnancy, parental status, marital status, sexual orientation, or physical, mental, emotional or learning disability shall be discriminated against, excluded from participation in, or denied the benefit of any curricular, extra-curricular, pupil services, recreational or other program or activity, or employment, for which it is responsible.

Educational Philosophy and Goals

As per Granton Area School District Board Policy code Chapter 1: Section B

Interests, attitudes, skills and habits developed during the school years of a person's life greatly influence the individual's behavior as an adult. The educational opportunities provided at Granton Area Schools are designed to enable students to gain knowledge, work skills, learn acceptable social concepts, and develop appreciations and values, which shall help them become responsible members of their community.

The opportunity to participate in the programs of the school shall be extended to all residents of the community provided statutory and school board regulations and requirements have been fulfilled. For the individual to realize maximum benefits from these programs, the student must be willing to accept the responsibilities, which go along with the educational privileges.

All aspects of the school's program of studies and activities shall be concerned with the total development of the individual student. It is recognized that students have differing interests, needs, and abilities. Therefore, course offerings, school activities, and teaching methods shall be planned which will

enable each student to develop according to his or her capability. Every effort shall be made to help the students experience success in their search for personal improvement.

The goals of education may best be achieved through cooperation and understanding among students, parents, faculty and members of the community. The working relationships shall be purposeful and business-like with mutual respect for individuals and their ideas, accomplishments and objectives. Each person involved in the educational process shall work towards the overall goal of maximum educational advancement for each child.

Therefore, we believe the district goals to be to:

1. Provide a safe learning environment.
2. Provide a well-rounded curriculum for teaching students the fundamentals that will prepare them for a four-year college, technical college, or the work world.
3. Provide a learning environment that will maximize the potential of all students.
4. Provide opportunities to develop each student's imagination, creativity and constructive and critical thinking.
5. Provide the skill each student needs to become a functioning, self-supporting, productive adult.
6. Provide opportunities that showcase the importance of a lifelong love for learning.
7. Provide opportunities to share their own cultures and to be aware of other cultural expressions and heritage.

8. Provide opportunities to develop an awareness of our political system starting at the school level and moving through all levels of government.
9. Provide opportunities to develop knowledge and responsibility concerning global resources.
10. Provide opportunities for career education and occupational awareness.
11. Provide the opportunity to develop each individual's abilities, goals, and self-concept.

Non-Discrimination Policy

As per Granton Area School District Board Policy Chapter 1: Section C & D

The Granton Area School District complies with all state and federal laws and regulations prohibiting discrimination, and with all requirements and regulations of the Department of Public Instruction of the State of Wisconsin and the U.S. Department of Education. FORMAL NON-DISCRIMINATION COMPLAINT PROCEDURE

STEP 1: A written statement of the grievance shall be prepared by the complainant and signed. CHEATING AND PLAGIARISM

Cheating of any kind (plagiarism, forgery, copying another person's work, allowing another person to copy one's own work, doing another person's work, creating additional copies of one's work for distribution, intentionally accessing another's material for personal use, downloading information from other sources and presenting it as one's own, unauthorized use of hard copy or software to develop one's own software) will not be tolerated. Possible disciplinary actions may include: redoing test or assignment, receiving a reduced grade (as low as zero), written referral to office, or any other action that a teacher and administration deem necessary and appropriate. It is expected that all schoolwork submitted for the purpose of meeting course requirements represent the original efforts of the individual student.

CONTACTING TEACHER INFORMATION

All teachers have email through the school and telephones in every classroom. Parents are encouraged to contact them often. This information is distributed at open house and is also available via the school website and Principal's office.

GRADING PERIODS, PROGRESS REPORTS, STUDENT RECORDS

Students will receive grades and credits four times per year at the end of every nine-week grading period. The grades on the report cards issued at the nine-week period will be the recorded grade for student achievement (credit) and will become part of the student's permanent record. The progress report can, and should, be used at any time during the nine-week quarter when staff have information or concerns they wish to share with a parent(s). The progress report will indicate the reason for concern or commendation. Any student with a grade of "M" or below at the mid-quarter will be sent home a progress report (a.k.a. Minimal Performance report). Teachers are encouraged to communicate with parents on a regular basis. No parent or student should ever be surprised by the grade received at the end of any grading period as proper communication should take place prior to the end of a grading period.

HOMEWORK

Our programs are planned so that if each student makes wise use of their time during regular school hours the amount of work outside of school should be minimal. A reasonable amount of homework is a part of the educational process and should be expected. Every student is different and should not be compared to others regarding this issue.

INTERNET/ON-LINE SERVICES

The Granton Area School District has developed specific policies regarding student use of the Internet or other on-line computer services. Students in district classes are encouraged to explore the Internet or other on-line services for educational purposes under the careful direction and supervision of district staff. All student use of the Internet must be based on specific planned educational purpose and/or topic and must take place in a supervised setting such as a classroom, lab, or media center. School Board Policy clearly defines user rules. Students violating those rules may be subject to school discipline, up to and including expulsion.

STUDENT PROMOTION/RETENTION

As per Granton Area School District Board Policy Code Chapter 10

The Granton Area School District is dedicated to the total and continuous development of each pupil enrolled. The professional staff is expected to place pupils at the grade level best suited to them academically, socially and emotionally.

Children seem to do their best work in school when they are placed at a grade level with other children of their chronological age. Because of the following factors, it will occasionally be desirable for a child to be placed in a grade above or below his/her actual chronological age:

- ◆ Physical maturity
- ◆ Social/emotional maturity
- ◆ Attitudes/work habits
- ◆ Level of academic achievement, particularly in basic skill areas, and in reference to grade level outcomes
- ◆ Ability in relation to achievement
- ◆ Attendance patterns
- ◆ Potential benefit/success for the student
- ◆ Previous retention
- ◆ EEN status
- ◆ Extenuating circumstances, if any

Parents wishing to explore the advisability of retention or acceleration for their child may do so by first contacting the teacher of their son/daughter. The teacher will then initiate a review of the child's records beginning at Step 1 of the guidelines outlined in the rules associated with the appropriate policy.

Pupils will normally progress annually from grade to grade. Exceptions may be made only when, in the judgement of the professional staff, such exceptions are in the best educational interest of the pupils involved. Exceptions will always be made after prior notification and explanation to each pupil's parents, but the final decision will rest with the school authorities.

All retention and promotion decisions will follow the guidelines of the following Board Policies:

Chapter 10, Section PA, "Fourth, Eighth, and Tenth Grade Advancement Guidelines"

Chapter 10, Section Q, "Student Retention - Elementary"

Chapter 10, Section R, "Student Acceleration - Elementary"

Chapter 10, Section S, "Junior High Promotion and Retention"

Chapter 10, Section T, "Student Retention and Promotion - High School (9-12)"

Attendance Information

The Board of Education encourages a strong partnership between the home, school, and community. It recognizes a positive relationship between good school attendance and success in school and employment. If student learning and growth are to take place, parents/guardians, students and school personnel must recognize their responsibilities to assure regular attendance.

The Board, in recognition of the statutory requirements for school attendance and the overwhelming public need for an educated society, believes school attendance should take precedence over non-school activities. State law requires every child between 6 and 18 years of age to be in school attendance unless he/she:

1. Is excused temporarily for physical or mental reasons, or other reasons defined by the Board;
2. Has graduated
3. Has been authorized to attend an alternative educational program; or
4. Has been excused by his/her parent/guardian prior to an absence in accordance with state law.

It is the responsibility of any person having under his/her control such a child to ensure regular attendance during the full period and hours that school is in session until the end of grading period in which the child becomes 18 years of age. Parent/guardian(s) are responsible for notifying the school of student absences in accordance with established district procedures. When students are absent, parents/guardians assume full responsibility for their child's activities. It is the responsibility of the principal or designee to determine whether the absence is acceptable (excused) or not acceptable (truant).

As per Granton Area School District Board Policy Code Chapter 10: Section J

School attendance is crucial in order for students to have success in school. The Granton Board of Education has established, and the administration endorses, the following policy:

1. Parents must accept the responsibility for requiring their children to attend school so as to comply with school policy and Wisconsin law. When it is necessary for a student to be absent for "good cause" during the school day, parents are encouraged to contact school officials and inform them. The office will be open at 7:15 A.M. to receive these calls. When a student is absent and a call has not been received, school personnel will telephone the home. In case of no phone call, a note from the parent is necessary before an absence will be excused.
2. Wisconsin State Statutes 118.15 (Compulsory School Attendance) and 118.16 (School Attendance Enforcement) deal with student attendance. All children are subject to compulsory school attendance and law requires a record of attendance through the end of the school term in which they become 18 years of age.

STUDENT ABSENCES

The responsibility for regular school attendance of a child rests upon the child's parents or guardian. SA (Student Activity) shall be recorded when a child is physically away from school because he/she is participating in school sponsored activities, teacher chaperoned field trips, athletic events, workshops, contests, etc. Each teacher shall submit daily attendance reports to the attendance officer on all students under his/her charge. The Principal shall adopt specific procedures for handling absences subject to the district attendance policies and the approval of the School Board. A written copy of these procedures shall be provided for each student and/or his/her parent(s) or guardian.

Advanced Makeup Form:

Granton Area Schools recognize the occasional need for extended absence or emergency situations that may arise. Students who are planning to be absent and know in advance that they will be missing work should pick up an advance makeup sheet from the office. A parent request is necessary to receive an advanced makeup. The student will be required to obtain signatures and assignments from their teachers. All work should be made up prior to dates that the student will be missing unless specific arrangements have been made with the classroom teacher. The completed advanced makeup form should be returned to the principal's office.

Excused Student Absences:**• Personal Illness**

A student who is absent due to illness is to have a parent/guardian call the school the morning of the absence. If this is not possible, a note signed by the parent/guardian explaining the absence should be brought to the office on the day the student returns. A student will be allowed five sickness or injury related absences per semester that do not require a doctor's verification. These absences will be recorded as E. If a student requires more than five separate days per semester due to sickness or injury, a doctor's excuse will be necessary. These absences will be recorded as DR. When the illness or injury causes the student to miss three or more consecutive days of school, documentation from a doctor's office will be necessary to excuse the absences. These absences will be recorded as M.

• Medical Appointments

A student who has a medical, dental, chiropractic, optometric, or other valid professional appointment will need to provide documentation of the appointment from the medical facility to have the absence be marked "excused". These absences will be recorded as DR. If possible, please schedule appointments outside the school day. The office will accept a fax from the facility on company letterhead that provides verification of the appointment date and time. The Principal's office fax number is 715-238-7827.

• Family Emergencies

Any student who has a severely ill or injured family member or who has experienced the death of a family member should have a parent/guardian contact the office as soon as possible after the initial first absence with a description of the circumstances. These absences will be recorded as E. A student requiring more than ten days' absence from school must have a parent/guardian contact the office to give an estimated date for the return of the student to school.

• Family Religious Services

Any student requesting time off for the observance of a religious holiday must bring a note from a parent/guardian or have the parent/guardian call the office prior to the holiday. (These days do not count toward the five parent-excused days in a semester.) These absences will be recorded as E.

• Other Excused Type Absences

- * A court appearance or other legal procedure, which requires the attendance of the student. These absences will be recorded as E
- * Quarantine as imposed by the Public Health Officer. These absences will be recorded as CDC.
- * Student sent home per CDC guidelines. We ask parents to keep children who are ill home for a full 24 hours after they are free of fever, vomiting, or diarrhea without the aid of fever reducing medications such as Tylenol, Ibuprofen, Advil, etc., because people are very contagious for 24 hours after they are completely symptom free. These absences will be recorded as CDC.
- * Attendance at special events of educational value approved in advance by the principal or attendance officer. These absences will be recorded as SA
- * Approved school activities during class time. These absences will be recorded as SA.
- * Special circumstances that show good cause and is approved in advance by the principal.

STUDENT ABSENCES, CONTINUED

- **Pre-arranged Absences**

Pre-arranged absences do not fall under the category of “parent request” unless an advanced makeup form has been filled out and approved. Individual parent requests that his/her child should be excused from an absence will not be honored unless it falls under the guidelines previously stated for excused absences and parent responsibilities. Faculty reserves the right to excuse a student from an absence when the absence has been deemed either justified or unavoidable.

- **Parent/Student Responsibilities**

All other absences must be cleared with the office and will be excused only if the absence falls within the guidelines stated above. It is the responsibility of the parent and student to provide the office with the proper documentation stated in the four reasons for excused absences. The parent/guardian or student will have five school days to clear the absence with the office. Documentation and/or phone calls received after five days will not be accepted, and the absence will be considered unexcused. Upon the student’s return to school, the student has the responsibility to confer with his/her teachers for those classes missed to determine work to be completed. The student may have the number of days absent plus one to make up missed assignments/class work to be completed. A longer period may be granted by teacher or administrator for extenuating circumstances.

Unexcused Student Absences:

- Children who are absent from school with the consent of their parents and/or guardian, but whose absence does not fall under the reasons listed above for excused absences, or children who skip, or are absent for no particular reason, shall be considered unexcused.
- Students marked with unexcused absences may be required to serve a 30 minute after-school detention for each period unexcused.

Attendance Information

Policies may be revised during the course of the year.

WORK MISSED DURING STUDENT ABSENCE

Unexcused Absence:

- Work missed during an unexcused absence may be made up upon request from the teacher. Students may or may not be permitted to make up daily class work missed and may be denied credit for unexcused absences. Tests are an exception and may be made up at a time mutually agreed upon by the teacher and student.
- A student may receive a zero for class participation for all classes missed if participation grades were given the day the student was marked as unexcused by the school attendance officer.
- Students have the obligation to obtain, understand, and retain for future reference and use, all materials presented during their unexcused absence.

WORK MISSED DURING STUDENT ABSENCE, CONTINUED

Excused Absence:

- It is the student's responsibility to contact his/her teachers to make arrangements for making up any work missed resulting from the absence.
- Students who miss class for reasons that are excusable will be given the opportunity, whenever possible, to make up work missed when they return to school.
- Teachers will grant the number of days absent plus one for make-up time. This provision applies to all work assigned during the student's absence unless an exception is granted by the principal due to extenuating circumstances.
- Exams missed during an excused absence will be taken at a time agreed upon by the student and teacher.

Any time a student is absent, parents are encouraged to call school and have the student's homework collected for pickup by the parent or another sibling.

TARDINESS

Tardiness is a two-way problem. First, tardiness is disturbing to other students and the teacher of the class being interrupted. Secondly, tardiness results in a loss of education for the tardy student. Students are expected to be in their proper classroom and in their designated seat when the bell rings at the beginning of each hour. Students are responsible for their movement throughout the building and planning ahead as to avoid tardiness. If at any time a student must be in the hallway, they are to have a hall pass from a staff member or the office. Student tardiness is kept on file by the school office and the attendance officer. Failure to comply with this policy may result in any of the following:

- Tardy Consequences: 3 tardies = Recess detention, 6 tardies = lunch detention. Any continuation of tardies throughout the year will adhere to the Behavioral Infraction Procedure

TRUANCY

"Truancy" means any absence of part or all of one or more days from school during which the High School Principal has not been notified of the legal cause of such absence by the parent or guardian of the absent student, and also means intermittent attendance carried on for the purpose of defeating the intent of the state attendance statutes (118.15).

Truancy Guidelines:

1. Part or all of 3 unexcused days absent in a school semester, or 6 excused absences in a school year:
Communication with parent/guardian discussing attendance.
2. Part or all of 4 unexcused days absent in a school semester or 8 excused absences in a school year:
Letter to parent/ guardian giving notification of check list for habitual truant.
Referral to school counselor for: Review of school records to consider possible PBIS Team meeting.
3. Part or all of 5 unexcused days absent in a school semester or 10 excused absences in a school year:
Meeting with parents, principal, counselor, and student to consider/discuss placement in PBIS Tier 2 intervention.
District Staff member home check-in visit
4. Any absence unexcused or excused over 10 in a school year:
Certified letter to parent/guardian giving notification of checklist for habitual truant
Possible referral to Clark County Social Services and Sheriff's Department.

A "habitual truant" means a student who is absent from school without an acceptable excuse, based on the district attendance policies for either of the following:

- Part or all of 5 or more unexcused days in which school is held during a semester whether consecutive or not.
- Part or all of 5 or more days in which school was held which exceed 10 days excused absence in a school year.

BEHAVIOR EXPECTATIONS FOR STUDENTS

Behavioral Infraction System levels, procedures and incentives will follow the outlined school district board policies.

MANNERS

All behaviors exhibited by the individual while at school and school related activities are a reflection of that individual and the school. In our desire to create an environment of mutual respect supported by families and community, students are expected to employ common courtesy and good manners. Words such as please, thank you, along with the proper address of staff as "Mr." and "Mrs." are expected.

LOITERING

Any unauthorized person found in the building shall be referred to local law enforcement and prosecuted under the proper county ordinances, if they do not leave immediately upon request. You must leave the building when the school day is over, unless you are required to stay after - which will require you to be under faculty supervision. Any student refusing to comply faces disciplinary procedures including detention, restriction from being on campus after 3:30 P.M. and before 8:00 A.M., suspension, citation for trespassing, and expulsion.

PAWS (Positive Attitude + Work = Success) & "PAWS"-itive Behavior Awards

PAWS is a service learning and community service program that includes all students and staff! Each month we have scheduled times for school or community based projects that encourage students and staff of varying levels to work together in performing some type of project. Each quarter a school-wide celebration is held in which students are nominated by their teachers and recognized for good citizenship, attendance, and academic success. Students can also be nominated by a staff member for a "PAWS"-itive Behavior Award and they will receive some kind of prize from the Student Services Department. For more information on PAWS, please contact Ms. Woller.

PROHIBITED ITEMS

Problems arise each year because students bring articles which are hazards to the safety of others or interfere in some way with school procedure. Such items include, but are not limited to: toy guns, water pistols, water balloons, bean shooters, sling shots, knives, hardballs, laser pointers. The items if brought to school as playthings are undesirable and will be confiscated. Parents are requested to help children understand the necessity for such regulations. Boom boxes, radios, personal/portable compact disc player, and TV's are not permitted. Cell phones, pagers, iPods, MP3s or other electronic devices are not to be used in the classrooms UNLESS authorized by the classroom teacher. Authorized use during classroom time is for ACADEMIC purposes only. In these cases of occasional use, the device(s) shall be put back into the students pocket or school issued locker for the remainder of the school day.

PROCEDURES FOR POSSESSION OF ALCOHOL, OTHER DRUGS OR ALTERING SUBSTANCES, INHALANTS, E-CIGARETTES, TOBACCO, STREET DRUGS, DRUG PARAPHERNALIA, CONTROLLED OR PERFORMANCE ENHANCING SUBSTANCES

Granton School District strictly forbids use, sale, or possession on any items listed above or look-a-like substances. The possession and/or use or sale of chemicals in our schools, our parking lots, on school buses, at athletic events and/or other school sponsored functions is strictly prohibited. School board policy and procedures have been established to respond to individuals possessing, distributing, and/or selling alcohol and other controlled chemicals/substances or their look-a-like counter parts. Disciplinary action will result if a student is involved in use, possession, and/or sale of any altering substances. Students refusing to comply with a breath test given by school officials or law enforcement will be treated as an admission of guilt.

SEARCHES

Desks, lockers, books, and equipment loaned to students remain school property while in possession of the students. Such property is provided for the convenience of the students and shall be used only for authorized school purposes. Lockers are not safe deposit boxes. Granton Schools cannot guarantee full security to items stored in lockers. Students that suspect their lock is malfunctioning or that another student knows their combination should report it to the office so that a new lock/combination can be provided to the student. Only locks issued by the school may be used on lockers. Personal locks will be cut and removed by school personnel. The school district is not responsible for any items taken from a student locker even if it is locked. Students are expected to clean their lockers and remove all tape, photos, etc. at the end of the school year.

Other pertinent information relating to searches:

- Student lockers are provided for the use and convenience of students but remain under the jurisdiction and control of the school authorities. If inspection of lockers, either individually or on a group basis, is deemed necessary, such inspections can and will take place by school administrators or their designee. If a locker is used to store personal items, (coats, purses, school bags, tec.) those items may also be inspected.
- When a locker is occupied anywhere in the building, it is understood that the occupant assumes all responsibility for contents therein. The Board of Education and its employees cannot be liable for losses that may occur. To protect their locker contents, the Board highly recommends that students use combination locks, which are available upon request. Personal locks of any type are not permitted. If the lock is ruined, lost, or not turned into the office at the end of the school year, the student will be responsible for the cost of the lock. The school authorities reserve the right to use drug dog inspections of students lockers.
- Student parking is provided on school grounds for the use and convenience of students but remain under the jurisdiction and control of school authorities. If inspection of vehicles, either individually or on a group basis, is deemed necessary, such inspections can and will take place by school administrators or their designee. The school authorities reserve the right to use drug dog inspections of the parking lot.

STUDENT/STAFF INTERACTIONS

Students also have the right to free and reasonable inquiry and expression while having the responsibility to respect the authority, feelings, physical well-being and property of school staff members. General Information

ACCIDENTS

Every accident in the school building, on the school grounds, or at any athletic event sponsored by the school must be reported immediately to the person in charge and to the school office. The teacher supervising the activity must fill out an accident report form that can be acquired in the office.

The school participates in the First Agency, Inc., accident benefit plan. All injuries to students are to be reported to the school office immediately. Authorization for treatment forms, including arrangements for medical treatment, will be completed by parents(s)/guardian and kept on file in the school office. It should be remembered that this coverage only supplements your family's health and insurance coverage. It will not extend payment for bills paid by your own insurance. All athletes need to be aware that

ANIMALS AT SCHOOL

Everyone enjoys a pet and pets can be educational. However, pets in school can also be distracting. Students are not to bring pets to school unless requested by the teacher as part of a unit or unless the student has made specific arrangements with his/her teacher and has approval from the principal. Usually, parents will be requested to bring the pet to school and take it home again when it has fulfilled its purpose in the classroom.

BULLETIN BOARD INFORMATION

A wide array of information is posted on the bulletin boards outside of the elementary and high school offices. All information posted is to be approved by the building principal and verified with his/her initials. Materials not approved will be removed.

BUS DISCIPLINARY ACTION

The school bus is an extension of the classroom. The first responsibility of our school bus drivers is to make sure that every student gets to school and back home safely. To do this, the students must be on their best behavior every time they set foot on a school bus no matter if it is for a daily route or an extra activity. Every driver has the ability to handle behavior issues as they happen. If students are misbehaving, the driver may assign all students to a specific seat, ask the child to move to a different seat, or use a seatbelt to stop the unwanted behavior. If the behavior continues, and the driver has given the child 3 warnings, the driver can refer the student to the principal for disciplinary action.

1st Reported Offense:

- Discipline slip given to Principal's Office, parent contacted, dealt with according to level of behavior.

2nd Reported Offense:

- Discipline slip given to Principal's Office, parent meeting, 1 day off the bus.

3rd Reported Offense:

- Discipline slip given to Principal's Office, parent meeting, any additional reported offenses—minimum 3 days off bus. If the offenses are being disrespectful to the driver or a physical fight, the consequences go up one level.

If the offenses at any reported level are being disrespectful to the driver or a physical fight, the consequences go up one level

When the driver needs to discipline a student(s), he/she will select a safe place to pull the bus off the road so that this can happen. If the behavior escalates to a level that makes the driver feel he/she cannot complete their route safely for themselves or the students, he/she may also call 911 and request a police officer come to that location and remove a student.

General Information

CAFETERIA

The school cafeteria serves breakfast and lunch under guidelines set forth by the federal government's programs. Meals are planned to meet nutritional requirements set forth by the U.S. Government for balanced class "A" lunch programs. All Granton Area School students are eligible for meals in the cafeteria. Eating in the lunchroom is a privilege and all school rules and policies apply. Failure to comply with these reasonable requests may result in the loss of this privilege. Currently, the Granton School District participates in a Community Eligibility Provision (CEP). This allows us to serve breakfast and lunch to students at no charge. Students will be charged for second entrees. Money can be deposited into student accounts for second entrees. One family can make one lunch payment. All payments will be entered into the family account. Any unused money will be refunded or credited to the following year's account. Students are not allowed to share their account with other students. If there comes a time where the Granton Area School District is not eligible for CEP, families will be notified of Breakfast and lunch prices, and applications for free and reduced lunch prices would be available in the district office.

General Lunchroom rules and procedures

- Do not rush or push to get in line. This is for your safety and all other persons as well.
- Books and other personal belongings belong in your locker or room during this time.
- Eat all of your food in the lunchroom and return all trays, dirty dishes, and milk cartons to the dishwasher window in the cafeteria.
- Pick up any trash in your area - even if it's not yours!
- Each student is issued a lunch ID number. Students are responsible for the security of this number. If the number is lost, stolen, or forgotten, notify the kitchen staff immediately for a new number.
- When the student goes through the lunch line, he/she will type their ID number into a keypad monitored by lunchroom personnel. When the computer reads the number, it will automatically deduct the correct amount (1 day) from the student's account balance. When the account reaches a certain point (\$5.00) they will be notified that their account is nearing a zero balance.

CAFETERIA, CONTINUED

Lunch period guidelines/smart snacks

All users of the lunchroom facility are expected to follow the rules of that facility. Students that take part in the school sponsored lunch program are to consume all food taken in the lunch room. At no time is food to leave the lunchroom. Students who bring their own lunch from home are to consume them in the lunchroom. No food or drink is to be consumed in the gymnasiums at any time during the school day. GASD follows the USDA "Smart Snack" Guidelines, therefore students are NOT allowed to have open bags of chips, energy drinks, and or soda in their lockers.

CHILD ABUSE/NEGLECT

Any teacher, administrator, counselor, psychologist, social worker, or other certified school staff member who suspects that a child has been, may be, or is being abused or neglected is required by law to immediately report such suspicions. These suspicions, true or not, will be reported to social services that will do the investigating. The school's legal obligation is to report the matter.

CLOTHING/DRESS CODE

Discretion of what is excessive or in bad taste will be left up to faculty and administration, as defined by the Wisconsin Statute 120.13 (1). It is the responsibility of the school to prohibit students from attending school when their personal appearance or attire is of a nature that interferes with the instructional purpose of the school or attracts undue attention that is detrimental to the normal operation of the Granton School District. By school board direction students shall dress appropriately for all occasions. **The board, with the administration as their representatives, will determine what appropriate dress is.** Students will be sent home unless corrective action is taken. Any exceptions to this dress code can only be made with prior office approval.

The following are guidelines for this policy:

- Clothing endorsing alcohol, drugs, foul language, sex or anything that is causing a distraction to learning.
- The wearing of coats, hats, caps, bandannas, hoods, or any type of head covering is prohibited upon entrance into the school and exiting of the building at the end of the regular school day. If you chill easily dress warmer.
- Students are not permitted to display any article of clothing or item that may be interpreted as identification with a gang. These may include, but are not limited to: caps, coats, tattoos, hand signals, graffiti, jewelry, haircuts, belt buckles bandannas, handkerchiefs, gloves, raised pant legs, and straps. A school official will determine if something is a gang identifier. The first instance will result in a warning and the student will immediately remove or cover the identifier. The second violation will result in school discipline.
- Students must wear footwear, and footwear that causes excessive floor marking is prohibited.
- The wearing of arm bands, buttons, or badges bearing slogans or sayings shall be permitted unless they are found to be obscene, libelous, or in direct violation of current legal standards.
- Dark glasses may only be worn with approved medical documentation that is on file with the office.
- Backpacks or briefcases are not to be carried during the school day. There is enough time between classes for students to get the necessary material for their next class. Students will be allowed to bring backpacks to school, however they must leave them in their lockers.
- Clothing is expected to cover your stomach, chest, back, buttocks, and all undergarments. Skirts must extend a minimum or mid-thigh length. Shorts must reasonably cover the buttocks and undergarments as determined by staff. Tank top straps should be at least two fingers wide and should cover undergarments as well.

CLOTHING/DRESS CODE, CONTINUED

What clothing is not permissible?

- Spaghetti straps, bare mid-ribs, open back shirts, strapless shirt, mini-skirts, pants worn below the waist line.
- Any clothing that exposes undergarments (tank tops, loose fitting shirts and pants, sheer clothing)
- Other questionable dress should be referred to the principal or superintendent for a determination.
- Clothing or accessories that are deemed a danger to self or others must be removed. This included but is not limited to long chains, spikes, loose fitting clothing (worn around machines) etc.

CONCERNS/CHAIN OF COMMAND

Our society has a “chain of command.” If you experience a problem of some kind at school with another student, teacher, parent, coach, etc. please go to the root of the problem and work your way up from there. Calling the principal to address an issue with a teacher, when the teacher has never been contacted, is not the proper way to handle the problem. Contacting the teacher first is the appropriate step.

ELECTRONIC DEVICES; INCLUDING CELL PHONES

Possession and/or use of personal telecommunication devices, including mobile phones, pagers, iPods, iTouch, MP3 or other electronic devices may be used before or after school. If a device is being used during the school day, school personnel may confiscate it. If your child must have a personal telecommunication device, it must remain in their backpack, and TURNED OFF throughout the school day. Texting and/or videotaping are not permitted at any time during the school day.

The use of mobile telephones or any device capable of capturing images is strictly prohibited in locker rooms, or restroom areas while at school and at school-related/sponsored events. The district is not responsible for any damaged, lost or stolen electronic device.

We ask that families and students use the Principal’s office when communicating messages from home or school. Failure to follow these guidelines will result in the confiscation of that device, along with disciplinary action.

Devices may be used in conjunction with medical necessity and/or used in the classroom for educational unit purposes if pre-approved by administration

- **1st offense:** Student will be asked to surrender his/her device to school personnel and can pick up at the conclusion of the school day.
- **2nd offense:** The device will need to be picked up by a parent/guardian in the Principal’s office and the student will receive disciplinary action related to our behavioral system
- **3rd offense:** There will be a meeting with administration to create a personal electronics plan/contract for the remainder of the school year.

FEES AND FINES

- **Fee** - Some courses require the student to purchase materials for project that they will keep. Students are subject to fines for library books, textbook abuse, lost materials, and breakage. All student fees and fines must be paid before the student will be cleared for the school year.
- **Textbook Fee/Fine** -Student may be charged replacement costs if the materials are lost or defaced. Simply, once given the book, or item in question, the student is responsible for its return in a very similar condition as when it was issued. Students may be fined for damages to textbooks that are above and beyond routine wear. Students are encouraged to write their name in the space provided inside the cover and also place a book cover on all of their textbooks to serve as added protection. The classroom teacher will record all pertinent information including the number and condition of the book at the time of issuance. Should a student be fined for a textbook upon signing out with their instructor, the student will **a)** be told of the fine, **b)** the teacher will attempt to contact the parent by phone within 24 hours to inform them of the fine as it may be substantial, and **c)** the fine information will be written on the students sign-out sheet. The School Board believes that textbooks have a quality use for seven years. Any book that is not fined for replacement will be levied a fine that will be prorated.

FIELD TRIPS/CHAPERONES

No more than two school-approved chaperones will attend a classroom field trip; additional chaperones may be added at the discretion of the administration for longer trips that involve a significant number of students. All chaperones are subject to background checks as well. If other parents wish to attend the trips they must do so at their own expense. All school policies are in place while students and staff are off school grounds for a school related activity.

LIBRARY/IMC

The school library/IMC is a learning resource center available to all students K-12. The library is intended to be a quiet area where students can go, when time permits, to use the available resources. Students are expected to obey all established library rules as set forth by the IMC coordinator.

MEDICATION

As per Granton Area School District Board Policy Code Chapter 5: Section C

Efforts are to be made to avoid medication administration at school. Medication, prescription or over the counter, must be maintained in the Principal's office. Medication administered by the office must have a Parent/Guardian Medical authorization form sent with medication. If the medication is prescribed, a Doctor's form is also required.

At no time are school staff to distribute medications of any kind, including aspirin, to a student without a signed parent authorization form that is on file with the office. The school will assume responsibility for:

- Being aware of students who are on medication. **(It is the parent/guardian's responsibility to inform the school if their child is in possession of prescription drugs while at school.)**
- Checking the type, dosage, and purpose of these medications.
- Appointing an appropriate person to assist in administering medication.
- Keeping accurate and confidential records of pupils receiving medication.
- Providing a safe place to keep medication.

If your child is to receive medication at school, the following must be on file:

- A completed school medication form available in the school office signed by the parent.
- For prescription medication, doctor's orders are required. They can be faxed or emailed to the Principal's Office.

All prescription medications must be in the original labeled bottle.

PHYSICAL EDUCATION – MEDICAL EXEMPTION

Students who temporarily cannot participate actively in the program must present their physical education teacher with a written excuse from a licensed physician or doctor. It is the student's responsibility to return to active participation at the prescribed time on the medical excuse. Students who are unable to participate may remain with the physical education class or may be temporarily scheduled into a study hall until the student is able to return and participate in physical education. To receive a medical exemption for physical education a student must face scheduling conflicts that do not allow the credit requirements to be met because of medical conditions that were/are beyond the individual's control. However, should the student's schedule allow for the scheduling of physical education the course must be taken.

PARENTAL INVOLVEMENT/TITLE1

As per Granton Area School District Board Policy code Chapter 9: Section M

The Granton School Board recognizes the importance of parent/guardian input into the education of their children. The Board further recognizes parent participation in the design and implementation of the district's educational curriculum to allow for comprehensive programs for their children. As evidence of the school board's commitment to parent involvement in Title I, we are adopting the following activities as a response to regulation 200.53 of the May 19, 1986, Federal Register.

The Granton School District designates the Title 1 teachers to coordinate parent activities in order to ensure that parents of the children being served have an adequate opportunity to participate in the design and implementation of the Title I Project.

The following activities will be adopted:

- Training parents to promote the education of their children at home
- Facilitating volunteer or paid participation by parents in school activities
- Designating LEA parent coordinators
- Holding an annual meeting of parents of all eligible Title I students
- Implement and review the school-parent compact
- Provide parent representation during school wide committee meetings

RECESS

Weather permitting, and if their behavior allows, all students will be required to go out for recess. The only acceptable reason for a student remaining indoors is a written excuse **from a physician** indicating the medical reason for exclusion. This excuse should indicate the time period involved and any other restrictions placed on the student. Generally, the rule of thumb is that if the student is well enough to be in school, he/she is well enough to participate in recess. Coats are required of all students if the outside temperature is below 50 degrees. During the winter months, appropriate outside clothing is required. As a general policy sleds are not to be brought from home; however, the roll up sleds may be allowed. Please check with the classroom teacher as winter begins.

SAFETY DRILLS

All classrooms are to have emergency directions posted by the classroom door. These directions will point you in the proper direction in the event of an emergency. In the event of a fire drill you will leave the building by walking (not running) in a single file line. You are to leave all personal belongings in the building and leave immediately. Exit the building at a minimum distance of 100 feet. Always keep quiet listening for instructions from school and safety personnel. Additional safety drills will occur during the year. Please always listen to your teacher's instructions and remain calm.

SCHOOL BOARD MEETINGS

Unless announced otherwise, school board meetings are held the second Monday of every month in the Library/IMC at 6:45pm. If you have something you wish to discuss at a board meeting please contact the district administrator to discuss the items as it may be placed on the agenda. Your attendance is encouraged as only informed citizens can make an informed decision.

SCHOOL CLOSING & EMERGENCY INFORMATION

The district administrator and bus supervisor will weigh all pertinent factors and may consult with all appropriate resources in making the decision to close or delay the start of school. Students, parents, and staff will be informed of school closing as early as practical by announcements on: 1 Notice will be made through an *automated telephone system*. 2 Radio Stations including WCCN, WAXX, WDLB, etc. 3. *Television stations 7,9, and 13*. Please do not call the school to ask if the school will be, or is, closed. This ties up the phone lines and prevents its use in the case of an emergency; tune into the local media outlets for that information. Information will also be posted on the school web page as quickly as possible. You, as parents, may decide that the weather is too severe to send your child to school (especially a younger child). The school respects your decision in this matter. If you do keep your child home, please contact the school of the absence and send a note to school with the child when they return. If the school closes, all athletic, after-school, and evening events related to the school are canceled.

SICKROOM/SICK STUDENTS

The school does not employ a full time nurse or have somebody on call to deal with ill children. If a student does not feel well prior to leaving for school, you are encouraged to keep them home. If a student believes they are too ill to attend class they should go home. Arrangements will be made by the parents to get the student home.

STUDENT SERVICES INFORMATION

The professionals in our Student Service office are here to serve all students and their families. Our goal is to help all students achieve their personal and academic best. Our philosophy is that all students can and will excel with support from within the school and their home.
